

Stainless Steel 8mm Aruba Island Ring

Description

Stainless Steel 8mm Aruba Island Ring

This is a stainless steel ring with the shape of Aruba (Aruba Quartz with yellow pigment) and the star of the Aruba flag (Aruba Quartz with red pigment) in it. It also has 2 channels of which one is filled with real Aruba sand and the other one with "The Blues" representing the beautiful ocean of Aruba.

"The Blues" are a mixture of crushed Milky Quartz with colored pigments.

Milky Quartz is Aruba's native semi precious gem stone.
